

National University[®] Division of Extended Learning

RICA Preparation Course

Master the Skills You Need to Pass This Mandatory Exam!

In one month, National University's online RICA preparation course prepares students, using proven techniques to pass this recently-updated exam. Students are presented with information on question types and formats for the written exam, and are provided with helpful techniques for successfully answering multiple choice and constructed response questions. This course covers proven test taking strategies, what to study, and how to study – boosting confidence to pass the exam!

This course has been created and will be taught by credentialed, subject-matter experts who are personally committed to your success on the RICA! All courses are taught online one month prior to the RICA test offering and run for four weeks.

The course can also be taught on-site at a National University campus or at an off-site location for groups of 20 or more. On-site courses will typically meet either Monday and Wednesday OR Tuesday and Thursday from 5:30 - 10 p.m. On request alternative weekend scheduling can be arranged.

The text for this course is "California RICA & a Guideline for Reading Instruction in Grades Kindergarten to Eight" by Marilyn Dye and Marlene Giles. It is available for purchase at www.nutextdirect.com. The course subject and catalog number is EDX 1940X.
