

Professional Development and Life Enrichment Workshops

National University's Division of Extended Learning

offers professional development and life enrichment workshops developed by **FranklinCovey®!**

These workshops offer personal, professional, and organizational development and give participants the opportunity to identify and apply their highest priorities. FranklinCovey has dedicated itself and its resources in understanding the challenge of greatness. These workshops apply to all levels of leadership including personal, interpersonal, managerial, and organizational. Participants can expect greater productivity, increased influence in relationships, stronger team unity, and ultimately to reach a complete life balance.

- **The 7 Habits™ of Highly Effective People Signature Program**
- **The 7 Habits of Highly Effective Managers**
- **Focus: Achieving Your Highest Priorities**
- **The 4 Disciplines of Execution**
- **Leadership: Modular Series**
- **Leadership: Foundations**
- **Leadership: Leaders, Teams & Results**

Courses are taught by FranklinCovey certified instructors at National University locations. Courses can also be taught off-site for groups of 20 or more. Upon successful completion, participants will earn Continuing Education Units (CEUs) benchmarked to the International Association of Continuing Education and Training (IACET) standard.

Program information and schedule are located on the back of this sheet.

The University of Values

The Division of Extended Learning **Professional Development and Life Enrichment Workshops**

These instructor-led workshops are taught from one to three days. Students will earn Continuing Education Units (CEUs) upon successful completion.

THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE SIGNATURE PROGRAM

2.2 CEUs; \$1,095

This workshop is based on one of the best-selling business books of all time: **The 7 Habits of Highly Effective People**. Students will learn to achieve unprecedented levels of effectiveness in their personal and professional lives while developing more meaningful relationships, focusing on the most important things, and achieving a healthy work/life balance.

THE 7 HABITS OF HIGHLY EFFECTIVE MANAGERS

1.4 CEUs; \$730

This training workshop is a powerful application of the seven habits to the role of manager in a unique, new approach that helps in moving teams from producing good results to getting great/enduring results. In this intensive, application-oriented learning experience, focus will be on the fundamentals of great leadership.

FOCUS: ACHIEVING YOUR HIGHEST PRIORITIES

0.6 CEUs; \$265

This workshop teaches productivity skills to help employees clarify, focus on, and execute their highest priorities, both personally and professionally. Participants learn to apply a goal-setting process that achieves results, stay focused with a planning system, achieve balance/renewal in their lives, gain control of competing demands, and reduce stress.

THE 4 DISCIPLINES OF EXECUTION

0.6 CEUs; \$265

This training workshop focuses on “wildly important goals” – those that matter more than anything. Students learn four disciplines that ensure focus and execution on organization’s top priorities. These include focusing on the wildly important, creating a compelling scoreboard, translating lofty goals into specific actions, and holding each other accountable always.

LEADERSHIP: MODULAR SERIES

0.4 CEUs; \$199

This training workshop teaches emerging leaders how to connect their team’s efforts to the critical objectives of the organization. Individuals will be introduced to the Four Imperatives of Great Leaders, which include inspiring trust, clarifying purpose, aligning systems, and unleashing talent. The program is a half-day, instructor-led workshop.

LEADERSHIP: FOUNDATIONS

0.6 CEUs; \$365

This one-day workshop prepares individuals to take on significant leadership roles in the future. With an introduction to the Four Imperatives of Great Leaders, individuals gain skills to help them make a greater contribution as they grow with their organization. Candidates include high-potential individual contributors, project leaders, and informal leaders.

LEADERSHIP: LEADERS, TEAMS & RESULTS

2.2 CEUs; \$1,095

This three-day workshop teaches current leaders to take a process-oriented approach to developing great leaders. It includes pre-work so individuals can define their personal challenge of focus, assessment to measure capabilities, resources to implement what they learn to achieve results, and a follow-up assessment six months after the program.
