American Society for Quality Certification Training

The leading authority on career-boosting certifications for quality professionals

National University's Division of Extended Learning has partnered with the San Diego Chapter of the **American Society for Quality (ASQ)** to provide refresher courses that prepare individuals for ASQ certification. ASQ is the world's leading authority on quality, advancing learning, quality improvement, and knowledge exchange to improve business results, and to create better workplaces and communities worldwide.

Each refresher course prepares students for the ASQ Certification Exam to help students advance their career, gain an advantage over their competition, and increase their potential for a higher salary.

Check out our upcoming ASQ refresher courses!
