

National University[®]

Division of Extended Learning

Achieve Professional Excellence with National University CEUs

The University of Values

National University. A step ahead of the rest.

National University is an Authorized Provider of Continuing Education Units (CEU) from The International Association for Continuing Education and Training (IACET). IACET CEUs are considered the hallmark of quality in continuing education and training, and enhance the credibility of training activities. National University's Division of Extended Learning can document approved CEU training with certificates and official National University transcripts. The Division of Extended Learning can also provide many organizational services that support professional development events and conferences. Offerings may be held at National University's campuses throughout California and Nevada,

client locations, online, with CD-ROM or by real-time web seminars.

To further discuss how the Division of Extended Learning can assist you in the planning and implementation of your training activities and seminars, please call or e-mail us.

Additional Information you want to provide about your program or organization:

Benefits of National University CEUs

All administrative aspects of your program are facilitated by National University's trained and experienced staff to ensure that the IACET CEU awarding process is seamless and your participants receive the highest level of service and value.

Competitive pricing is customized to fit your needs. National University recognizes that "one size fits all" pricing is not ideal for continuing education training. We are able to provide assistance at a variety of levels from simply administrative to full service event planning at one of our state of the art conference centers. We will take the time to discover the essentials of your particular offering and how to add the greatest benefits to your participants.

All participants will be eligible to receive official National University transcripts and Certificates of Completion to document their involvement in training.
