

Enterprise Architecture Certification Programs by FEAC

FEACInstitute (Federated Enterprise Architecture Certification)

The Federal Government requires Enterprise Architecture certifications in either Federal Enterprise Architecture Framework (FEA[F]) and/or Department of Defense Architecture Framework (DoDAF).

National University, in conjunction with the Federal Enterprise Architecture Certification (FEAC) Institute, provides training and education leading to certification in FEA[F] and DoDAF for continuing education units (CEUs).

For more information, contact
Extended Learning!

The FEA[F] program addresses:

- Concepts: regulations, concepts, theories, principles, methodology, and views
- Planning: creating Enterprise Architecture understanding & awareness
- Implementation: internal implementation, marketing, selling, and managing change
- Integration of: business, data, application, and technology
- Practicum: Project Development and Presentation, Program Certification Exam

The DoDAF program offers experience with all products for the integrated architecture views including:

- IG, NCOW, JCIDS, CADM, DARS
- DoDAF 1.5
- Systems Interoperability
- Core Architecture Data Model, UML
