National University's Division of Extended Learning Offers Funded Training Opportunities

National University's Division of Extended Learning is partnered with the California Employment Development Department (EDD), Gatlin Education Services, and the Department of Defense to offer students a wide range of funded training programs. These programs provide students with the knowledge they need to be successful in today's high-demand careers and skilled trades.

EDD Employment Eligible Training Program Provider

California's Eligible Training Provider List (ETPL) was established in compliance with the Workforce Investment Act (WIA) of 1998. ETPL provides customer-focused employment training for adults and dislocated workers. The Division of Extended Learning has numerous career training courses listed on the state's Eligible Training Program List (ETPL). To stay current with today's job market, courses are added frequently. Visit your local One-stop Career Center today to learn more about which approved courses are best for you. Our approved career training programs can be found at <http://etpl.edd.ca.gov/wiaetplind.htm>.

One-stop Career Centers

The One-stop Career Centers offer local communities a comprehensive menu of employment and training services. Services include resume writing assistance, how to interview, finding job opportunities in your area, and other valuable training programs. The Division of Extended Learning works with career counselors at One-stop Career Centers throughout the state to help students identify and enroll in career training courses. Visit <http://www.servicelocator.org> to find your local One-stop Career Center.

Gatlin Online Military Programs

The Division of Extended Learning offers online career training and professional certificate programs for active military through Gatlin Educational Services. Courses are available in healthcare, IT, and skilled trades. Courses are updated frequently to meet the demands of growing industries. Visit www.gatlineducation.com/militaryhome.html to learn more about funds available for active military.

Military Spouse Career Advancement Account (MyCAA)

All active duty military spouses and current MyCAA participants may receive educational counseling and career guidance from a Military One Source Spouse Education and Career Consultant. Military One Source consultants can provide education and training, career exploration, assessment, employment readiness and career search assistance. If students have questions regarding the MyCAA Program, please refer to the Military OneSource at 1.800.342.9647.
