SECURE YOUR FUTURE

The Center of Excellence for Veteran Student Success (CEVSS)'s mission is to promote the holistic development and achievement of student veterans through the integration of academic, career, networking, and wellness services. Made possible by a Department of Education Fund for the Improvement of Secondary Education (FIPSE) grant, the Center serves as a centralized point for veteran students that focuses on four key areas: 1) easing veterans' transition to campus life, 2) increasing retention, 3) achieving educational and career goals, and 4) providing a higher quality of life.

How Can Veteran Students Benefit from the Center?

ACADEMIC INTERVENTION

Students who are on academic probation or an 'at risk' status are contacted by a veteran peer mentor who will perform an intake and discuss a plan to bring the student's grades back up. This program has shown a four-fold increase in students' GPAs being brought back to good academic standing.

CAREER CORPS

Career Corps is a monthly program to assist veterans with resume writing, job searching, and networking skills.

SOCIAL MEDIA

Please visit and "Like" the CEVSS Facebook page at: www.facebook.com/NUVeteranSuccessServices, and find out about upcoming events at the Center.

FEMALE VETERAN GROUP

Female veterans can have different military experiences than their male counterparts. This group provides a place for women to come together and discuss their experiences in a safe and supportive environment.

PATHWAYS TO SUCCESS VETERAN ORIENTATION

A veteran-specific orientation course has been designed to acclimate veteran students to University life. The course covers various topics, including navigating the VA system and time management skills.

VA WORK STUDY

The VA Work Study program places veteran students in a peer mentoring position. They assist with veteran outreach, support, and other Center programs.

VETERANS VICTORY SCHOLARSHIP

Through local individual and business donations, this scholarship is for students who have served our country honorably, are in need of financial support for school-related expenses, and have shown either community, or academic excellence.
