Learn about working with and teaching students who fall within the autism spectrum disorder through National University’s Autism Education Certificate. Taught online in a four-course sequence, this program is approved by the California Commission on Teacher Credentialing (CTC) as an Education Specialist-Added Authorization. Earn this certificate and you’ll learn the characteristics of autism, discover assessment and behavior management techniques, and build skills needed to collaborate with the parents and families of students.

Program Highlights:
- Learn the characteristics of autism and gain assessment and behavior management strategies
- Train to collaborate with parents and families of autistic students
- Each course is taught online for eight weeks
- CTC-approved as an Education Specialist-Added Authorization
