Prepare yourself for the California Subject Examination for Teachers (CSET) by taking National University’s one-month CSET Preparation Courses. Conveniently offered online, these courses provide you with a comprehensive overview of all the subject matter you will need for the CSET. Taught by credentialed, subject-matter experts, courses are available for the Multiple Subjects, Science, Social Science, English, and Mathematics tests.

Program Details:
- Courses are four weeks each and taught online one month prior to a CSET test
- Tests available: Multiple Subjects; Science; Social Science; English; and Mathematics Prep I, II, and III
- Cost: $355 for Multiple Subjects, Science, and English; $195 each for Mathematics
- National University alumni receive a 10 percent discount
