Direct Supervisor

1. What was your direct counseling experience? Describe frequency and variety as well as some general description of client issues.

2. What psychotherapeutic approaches did you customarily use in your work with clients? What modalities did your colleagues use?

3. What was the nature of your supervision? Was it readily available? What did you learn about yourself?

4. What is your perception of your clients' reactions to you, personally? Comment, also on cultural or social differences that had to be processed.

1/31/2001
5. Describe other educational or skill training experiences offered at your placement.

6. Describe, in general, your interactions with colleagues; other trainees, counselors, and office personnel.

7. On a scale of 1-10, where would you place this experience, for the benefit of other students interested in selecting the best learning experience?

1 10

8. What areas of skill training could we emphasize in the degree program to have better prepared you for this placement?

9. What experience was most helpful to you in your National University Practicum class?
