EMPOWERING STUDENTS WITH DISABILITIES

Extending the opportunities of higher education to individuals with disabilities is a top priority at National University. National University’s Student Accessibility Services, through collaboration with the campus and the community, is committed to empowering students with disabilities and providing equal access to higher education through the provision of academic support services, technology, and advocacy in order to promote students’ retention and graduation.

Our Goals:

- To minimize academic and physical barriers for students with disabilities.
- To work collaboratively with faculty, staff, and the campus community to increase disability awareness and cultivate accessible learning environments and experiences for students.
- To promote disability as an integral part of campus diversity.

Our Services:

National University’s Student Accessibility Services provides a variety of services designed to assist the National University community, including students, faculty and staff. Our Office offers services that allow students with disabilities to participate fully in all facets of the learning experience.

Students with disabilities are equipped with tools to promote self-advocacy, independence, learning, and goal attainment. Faculty and staff are provided resources and guidance to assist with the creation of accessible onsite and online learning experiences that foster engagement and interaction with all students.

There are six main service areas:

- Exam Accommodations
- Alternative Media
- Sign Language Interpreting/Transcribing Services
- Assistive Technology
- Note-Taking Accommodations
- Disability Counseling and Advocacy Services
