TAKE THE FIRST STEP TODAY
School of Education

1.800.NAT.UNIV • www.nu.edu
Whether you’re new to teaching, an experienced professional, or moving up the administrative ranks, the School of Education has a program relevant to your needs and in a format that fits your lifestyle.

National University’s School of Education offers bachelor’s degrees, master’s degrees, certificates, and credentials in areas including teaching, school counseling, school psychology, special education, early childhood education, and school administration. Programs are offered on campus, online, or at your school, making it easier for you to achieve your goals. You’ll find the benefits of attending National University continue long after you earn your degree.

It’s no secret that in California, Nevada, and across the nation there is a high demand for quality teachers, education specialists, administrators, school psychologists, and counselors. National has prepared more credentialed teachers than any other institution of higher education in California for the past eight years, offering access to a wide network of teachers and administrators to help you throughout your career. National has more internship contracts with elementary and secondary school districts than any other university in California.

With a degree from National University’s School of Education, you can enter or move ahead in the job market with the education, experience, and contacts you need. A leader in the field, National University prepares you for the challenges and joys a career in education can bring.
National University’s School of Education is committed to preparing students for lives of personal growth, professional dedication, and community service.

Earn your degree in early childhood education and help students discover the adventures that await them.
The University is also:
Approved by the Commission on Teacher Credentialing (CTC) A member of the American Association of Colleges for Teacher Education (AACTE)

Undergraduate Programs

Bachelor of Arts in Early Childhood Education
A Bachelor of Arts in Early Childhood Education prepares you for a fulfilling career working with young children to foster their development and learning. Designed according to national and state requirements, the degree is based on the competencies and guidelines established by the following:

- National Association for the Education of Young Children (NAEYC)
- Child Development Associates Competency Standards (CDA)
- California Child Development Permit Matrix
- California Pre-Kindergarten Learning Development Guidelines
- National Head Start Association (NHSA)

Bachelor of Arts Degrees with Credential

Bachelor of Arts in English with a California Preliminary Single Subject Credential
The Bachelor of Arts in English with a Preliminary Single Subject Credential provides a rigorous education that prepares students for a career as a teacher of English at the middle and secondary school levels. The program stresses literary analysis, diversity, and critical thinking and written and oral communication skills through a rigorous curriculum of literature, composition, language and linguistics, and communication studies. This program prepares candidates for professional work as single subject teachers. Candidates are required to complete all required coursework as well as the California Basic Educational Skills Test (CBEST) and California Subject Examination for Teachers (CSET) to receive a credential.

Denotes programs also offered completely online
Bachelor of Arts in Interdisciplinary Studies in Early Childhood Education with a California Preliminary Multiple Subjects Teaching Credential

The Bachelor of Arts in Interdisciplinary Studies, concentrating in Early Childhood Education with a California Preliminary Multiple Subjects Teaching Credential, prepares candidates for a career as a teacher in the early elementary grades. Candidates are exposed to essential knowledge, strategies, and techniques across the disciplines as they apply to educating young children. The focus is on an enriched and thought-provoking curriculum that incorporates content across subject areas, specific educational methodology courses and preparation for professional work as multiple subject teachers, primarily for kindergarten through second grade.

Bachelor of Arts in Mathematics with a California Preliminary Single Subject Credential

The Bachelor of Art in Mathematics with a Preliminary Single Subject Credential provides a rigorous education that prepares candidates for a career as a teacher of Mathematics at the middle and secondary school levels. The program stresses foundation in mathematics and its application. This program prepares candidates for professional work as single subject teachers in a changing cultural and economic environment. Candidates are required to complete all required coursework as well as the Basic Skills requirement and CSET to receive a credential.

Commission on Teacher Credentialing:

National University was awarded monies to provide support to prospective teachers. The most recent award of $3,110,000 funds nearly 1,000 interns.
In the past 10 years, seven National University alumni have been named San Diego County Teacher of the Year.

Graduate Degree Programs

Master of Arts in Language Teaching and Learning

The Master of Arts degree in Language Teaching and Learning is designed for practicing and potential teachers interested in acquiring the knowledge, skills, abilities, and authorization to teach English Language Learners. The program includes specializations for candidates interested in teaching in bilingual classrooms where the students’ language of origin is predominately Spanish. An additional specialization in Teaching and Learning in a Global Society is designed to provide non-Spanish speaking
candidates with the knowledge and skills to effectively teach diverse students.

**Master of Arts in Teaching**

The Master of Arts in Teaching (MAT) degree helps teachers enhance their skills, broaden their intellectual and professional understanding of educational theory and practice, and continue to grow as instructional leaders in K-12 settings.

Specializations are offered in Applied Behavior Analysis (ABA), Autism, Best Practices, Early Childhood Education, Early Childhood Special Education, Educational Technology, National Board Certified Teacher (NBCT) Leadership, Reading, Special Education, Teacher Leadership, and Teaching and Learning in a Global Society. The NBCT specialization is uniquely scheduled to align the NBPTS portfolio submission dates and serves as the thesis project for the MAT degree.

**Master of Education in Best Practices**

Designed for the student committed to completing the requirements for a credential in multiple or single subject in the state of California with a graduate degree specializing in Best Practices. Courses for this degree meet the Commission on Teacher Credentialing (CTC) requirements for a preliminary credential and a master’s degree. It combines theory and practice to drive assessment and reflection as the basis for sound instructional decision making.

**Master of Education Specializing in Cross-Cultural Teaching**

This degree is for students who are committed to being instructional leaders in the K-12 setting, and geared to providing candidates with the knowledge and skills to effectively teach the increasingly diverse students in our society. Courses meet the Commission on Teacher Credentialing (CTC) requirements for a preliminary credential as well as meet the requirements for a master’s degree. The internship option provides valuable classroom experience and the opportunity to put theory into real-life practice.

**Master of Education in Teaching**

The Master of Education in Teaching degree is designed for practicing teachers.

Last year, 30 percent of San Diego County Teacher of the Year nominees were National University alumni.

who are currently working in a school district to complete their induction program. National University is able to partner with districts to combine a teacher’s work in the Induction program with the University’s requirements for a master’s degree. Currently offered in offsite cohorts only, this program combines the work completed in the preliminary teaching credential, the district induction program, and the Professional Clear SB2042 credential requirements, with a particular focus on preparing teachers for National Board Certification.

Master of Science in Applied School Leadership
(Offered in partnership with Santa Clara County Office of Education [SCCOE]) This program is offered in collaboration with the SCCOE “Leaders in Educational Administration Program” (L.E.A.P), and is comprised of six courses leading to the Preliminary Administrative Services (Tier I) Credential. Students must also take an additional six required National University courses for the completion of this degree.

Master of Science in Educational Administration
In this program, students will gain expertise in matters related to educational leadership and develop the capabilities and personal characteristics essential for efficient school administration. This degree can be completed with or without a credential option for those pursuing a career in the nonpublic education sector.

Denotes programs also offered 100% online
Master of Science in Educational Counseling

The Master of Science in Educational Counseling is aligned with national standards and prepares students for the position of school counselor. Graduates of this program generally seek employment as school counselors in K-12 school districts and must hold a PPSC credential for public school employment.

Master of Science in Instructional Leadership/NBCT

Developing leadership skills for students interested in becoming a school leader or administrator, this degree combines the five National Board Certified Teaching (NBCT) courses with five leadership courses from the Educational Administration program. Development of the NBCT portfolio serves as the thesis project. Adding three more courses within seven years may earn the student a preliminary administrator license.

Master of Science in School Psychology

This program is aligned with national standards and prepares students for the position of school psychologist. Graduates of this program generally seek employment as a school psychologist in K-12 school districts and must hold a PPSP credential for public school employment.

Master of Science in Special Education

The Master of Science in Special Education is designed for educators and other professionals who want to become knowledgeable about educational learning problems and teaching strategies to enhance student performance.

In this program students build expertise in educational learning difficulties and learn new methodologies to enhance student performance.

Master of Science in Special Education – Emphasis in the Deaf and Hard-of-Hearing

This degree is designed for educators and other professionals who want to become knowledgeable about educational learning challenges and teaching strategies to enhance performance of students who are deaf and hard of hearing.

Denotes programs also offered 100% online
Special Education Internships

The University Internship credential programs provide opportunities for students to assume the responsibilities of full-time “teachers of record” while completing the credential coursework required for their Level I Education Specialist preparation program. Interns must have an offer of employment from an approved school district or non-public school that either has, or is willing to enter into, a partnership agreement with National University. The University Internship credential students meet the requirements of No Child Left Behind (NCLB). Available special education internships include:

- University Internship Credential Program for Education Specialist: Mild/Moderate or Moderate/Severe Disabilities
- University Internship Credential Program for Education Specialist: Deaf or Hard-of-Hearing

California Credential Programs

Administrative Services Credential Programs

These programs prepare students who are committed to improving education for careers in various levels of public school administration. Administrative Services Credential programs include:

- Administrative Services Certificate/Credential
- University Internship Credential Program for Administrative Services
- Clear Administrative Services Credential

Education Specialist Credential Programs

Prepare for teaching positions where students in the K-12 public school system who have mild/moderate or moderate/severe or Deaf and Hard-of-Hearing disabilities are served with a specific Preliminary Level I Education Specialist Credential. Programs available include:

- Preliminary Level I Education Specialist Credential: Mild/Moderate Disabilities with English Learner Authorization
- Preliminary Level I Education Specialist Credential: Moderate/Severe Disabilities with English Learner Authorization
- Preliminary Level I Education Specialist: Mild/Moderate Disabilities with Multiple or Single Subject Concurrent Credential with BCLAD option
- Preliminary Level I Education Specialist: Moderate/Severe Disabilities with Multiple or Single Subject Concurrent Credential with BCLAD option
- Preliminary Level I Education Specialist: Deaf and Hard-of-Hearing with English Learner Authorization

Pupil Personnel Services Credential Programs

These credential programs authorize the holder to serve as an educational counselor or school psychologist at any K-12 grade level. Pupil Personnel Services Credential Programs include:

- Pupil Personnel Services Credential School Counseling
- University Internship Credential Program for Pupil Personnel Services School Counseling
- Pupil Personnel Services Credential School Psychology

Classes start every month, so enroll at any time! · 1.800.NAT.UNIV · www.nu.edu

Denotes programs also offered 100% online
For the past eight years, National University has prepared more credentialed teachers than any other institution of higher education in the state, according to the Commission on Teacher Credentialing.

Teacher Education Credential Programs
In these programs, you can earn the specific credential you need for various teaching environments. Earn a multiple subject credential to teach in a self-contained classroom, typically in grades K-12. The single subject credential authorized the holder to teach in a departmentalized situation, typically at the junior high or high school level. The SB2042 multiple subjects credential and the single subject credential include an authorization to teach English language learners both in the general education classroom and in designated classes. National University Teacher Education Credential programs include:

- Preliminary Multiple Subject Teaching Credential Program with BCLAD Option
- Preliminary Single Subject Credential Program with BCLAD Option
- University Internship Credential Program for Multiple Subject/Single Subject Teaching
- Clear Credential for Holders of A Ryan Credential with CLAD And AB 1059
- Clear Credential for Holders of Out-of-State Teaching Credential

Certificate Programs

Applied Behavior Analysis Certificate
The five-course sequence in applied behavior analysis is designed to prepare candidates for the national certification examination sponsored by the Behavior Analyst Certification Board.

Autism Certificate
This certificate is designed for those interested in finding out more about working with and teaching those that fall within the Autism Spectrum Disorder.
California Reading Certificate
The California Reading Certificate authorizes the holder to assess student reading and provide reading instruction in response to those assessments. Reading Certificate holders are also authorized to develop, implement, and adapt the reading content curriculum and assist classroom teachers in these areas.

Early Childhood Education Certificate
This four-course program is designed to give students the teaching experience necessary to meet the unique needs of children from birth to age 8.

Early Childhood Special Education Certificate
For individuals who have completed Level II coursework in special education and hold a Professional Specialist Credential, Mild/Moderate or Moderate/Severe disabilities, completion of the certificate extends teaching authorization from birth through age 22.

Educational Technology Certificate
This will develop expertise in designing and conducting technology-facilitated instruction in K-12 technology coordination, site administration, home school and virtual school instruction, and online instruction in higher education.

National Board Certified Teacher Leadership Certificate
This certificate is designed for any teacher who may already have a master’s degree, but would benefit by earning graduate credit for five NBCT courses that support them as they explore and develop the NBCT portfolio at any level: exploration only, as a pre-candidate, active candidate, or renewal candidate. National Board Certification serves teachers in K-12 schools and in nearly all subject areas.

Nevada Programs

As a result of its many partnerships, National University offers specific programs for students seeking to teach in Nevada.

Bachelor of Arts in Elementary Education
This degree provides a broad, rigorous education that prepares students for a career as an elementary school teacher. The program gives candidates an enriched and provocative curriculum that incorporates content across subject areas with courses in specific education methodology.

Bachelor of Arts in Mathematics Education
Prepare for a career as a teacher of mathematics in middle or secondary schools with this degree. Coursework stresses a foundation in mathematics and its application.

Bachelor of Arts in Secondary Education, Major in English
This degree prepares candidates for a career as a teacher of English at the middle and secondary school levels. The program stresses literary analysis, diversity and critical thinking, and written and oral communication skills through a rigorous curriculum of literature, composition, language and linguistics, and communication studies.

Master of Arts in Teaching
The Master of Arts in Teaching degree helps those who already hold a Nevada teaching license enhance their skills, broaden their intellectual and professional understanding of educational theory and practice, and continue to grow as instructional leaders in K-12 settings. Specializations are offered in Applied Behavior Analysis (ABA), Autism, Best Practices, Early Childhood Education, Early Childhood Special Education, Educational Technology, National Board Certified Teacher (NBCT) Leadership, Reading, Special Education, Teacher Leadership, and Teaching and Learning in a Global Society. The NBCT specialization is uniquely scheduled to align the NBPTS portfolio submission dates and serves as the thesis project for the MAT degree.

Master of Education in Elementary Education with Nevada Licensure
This program with Nevada licensure is designed for students who seek to become instructional leaders in the elementary classroom setting. It will also broaden teachers’ intellectual and professional competencies by interrelating educational theory and practice for the purposes of promoting their lifelong learning goals. The program is intended for students who want to obtain an initial teaching license and master’s degree at the same time. The student teaching courses are required for the initial teaching license.

Master of Education in Secondary Education with Nevada Licensure
This program with Nevada licensure is designed for students who seek to become instructional leaders in the secondary education classroom setting. It will also broaden teachers’ intellectual and professional competencies by interrelating educational theory and practice for the purposes of promoting their lifelong learning goals. The program is intended for students who want to obtain an initial teaching license and master’s degree at
the same time. The student teaching courses are required for the initial teaching license.

Master of Science with Licensure in Special Education
The Generalist in Special Education endorsement is based on the premise that meeting students’ special instruction needs requires knowledge of a wide array of teaching strategies. The program is designed to present a variety of methods, techniques, and opportunities to develop the skills required to create and implement programs that will positively impact the learning of K-12 students with special needs across developmental domains.

Take the first step!
Admission to National University is simple. To speak with your own personal advisor, call us today at 1.800.NAT.UNIV, or visit our website at www.nu.edu to apply online.
You decide where to go. We’ll help you get there.

Going to school is a big decision, and you don’t need complicated admission processes to slow you down. At National University, we’ve simplified entry because we know our students demand accessibility. Our evening-focused, accelerated format means earning your bachelor’s or master’s degree won’t interfere with your personal or professional obligations.

National University makes attending your classes simple while maintaining high quality degree offerings. National infuses quality into all of its programs, from business to information technology to psychology and education. Our curriculum combines concept, theory, and application so that what you learn in the classroom is relevant to the workplace.

We award more master’s degrees to Hispanics and African Americans than any other higher learning institution in California.
Our Reputation Speaks for Itself

National University is the second-largest, nonprofit, private institution of higher learning in California. National provides more master’s degrees in education to minority students than any other college or university in California. National University also ranks in the Top 10 nationally in granting master’s degrees to women.

Earn Your Degree on Your Schedule

Because National has 28 campuses throughout California including one in Nevada, there’s probably a location near your work or home. And since National offers many of its credentials and degrees online, your education goes where you go.

At National University, classes are small. With an average class size of 20 students, you get the one-on-one faculty interaction you deserve.

The mace, a symbol of National University, is inscribed with the Latin motto, discendo vivimus — “we live through learning.”
Learning Resources at Your Fingertips

National University provides you with modern technology in its classrooms, onsite labs, and beyond. You can access your current grades, class schedules, and financial aid information from your online student portal. The National University Library System offers numerous services to help you complete your coursework and contains one of the largest e-book collections in the U.S.

Accreditations and approvals:

- Accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges (WASC)
- Approved by the Commission on Teacher Credentialing (CTC)
- Approved by the Commission on Collegiate Nursing Education (CCNE)
- Accredited by the California Board of Registered Nursing (BRN)
- Accredited by the International Assembly for Collegiate Business Education (IACBE)
- A member of the American Association of Colleges for Teacher Education (AACTE)
- A member of the Council of Colleges of Arts and Sciences (CCAS)
- National University’s English Language Programs are accredited by the American Association of Intensive English Programs (AAIEP)

As a nonprofit institution, National University invests in its students by providing them with superior faculty, cutting edge technology and library resources.

National University possesses one of the largest e-Book collections in the United States. It is accessible 24 hours a day, seven days a week through the library’s home page at www.nu.edu/library.

The University of Values

National University is dedicated to educational access and academic excellence, and provides challenging and
relevant programs that are learner-centered, success-oriented, and responsive to technology. National University is anchored by the core values of quality, access, relevance, accelerated pace, affordability, and community.

A History of Lifelong Learning
Since 1971, National University has been dedicated to making lifelong learning opportunities accessible, challenging, and relevant to a diverse student population. National’s academic and administrative headquarters are located in La Jolla, California.

Funding Your Education
National University’s financial aid advisors can help you navigate the financial aid process so you can find a way to pay for school. Funding may also be available in the form of state and federal grants, scholarships, loans, or tuition reimbursement.

CHANGE YOUR FUTURE!
Call our toll-free number and a personal advisor will help you meet your individual educational goals. Call 1.800.NAT.UNIV or visit www.nu.edu for details or to apply online.
