

ASSOCIATE DEGREE FOR TRANSFER PATHWAYS

TRANSFER-FRIENDLY BACHELOR'S PROGRAMS FOR \$7,000* PER YEAR

National University participates in the California Community Colleges-Associate Degree for Transfer (CCC-ADT) program, which guarantees Associate in Arts for Transfer and Associate in Science for Transfer degrees are fully transferable and are aligned to similar bachelor's degrees, which can be completed in 90 quarter units or less.

CCC transfer students who have earned their Associate Degree for Transfer (ADT), Associate of Arts (AA), or Associate of Science (AS) degree within 12 months of applying to NU are eligible for the transfer scholarship pricing of \$880 per course. Additional coursework beyond the 90 quarter units may be required for AA and AS transferred degrees.

**Assumes eight courses per year at \$880 per course (max 20 courses)*

Not all ADT programs are offered at every California Community College. Vocation Associates and Applied Science are not applicable. All degrees must be transferrable. Please contact your community college counselor for course availability.
