

SCHOOL OF BUSINESS AND MANAGEMENT

BACHELOR OF ARTS IN INTEGRATED MARKETING COMMUNICATION

Apply Modern Tools to the Ancient Art of Persuasion

The Bachelor of Arts in Integrated Marketing Communication gives you a comprehensive overview of marketing principles and practices. You'll develop an understanding of traditional marketing elements, including advertising, sales promotion, public relations, direct marketing, and others. You'll discover the magic of integrating these different elements to deliver a powerful and unified message in support of an organization or its products. By using the latest communication technologies and applying integrated marketing fundamentals, you'll be equipped to develop effective marketing programs that deliver meaningful and measurable results. By applying research to evaluate and prove your own insights into the study of communication and media, you'll understand the role that communication plays in developing market interest.

The program prepares you for a variety of careers in marketing, sales, advertising, fundraising, public relations, and other

MAJOR IN INTEGRATED MARKETING COMMUNICATION

Academic Program Director: Susan Silverstone; (858) 642-8430; ssilvers@nu.edu

This program is a blend of the concepts of marketing principles, which include advertising, sales promotion, public relations, and direct marketing working together as a unified force with the integration of communication using the latest communication technology. Graduates will be able to demonstrate an ability to seek and integrate high-quality research for the purpose of evaluating their own insights into the professional and academic study of communication and media studies, while also understanding the roles that communication plays in developing individuals and social institutions. The BA in Integrated Marketing Communication prepares learners for careers in marketing, sales, advertising, fundraising, PR, and other persuasive fields. It combines a business degree with advanced communication skills for traditional and Web 2.0 platforms including print, broadcast, social, personal, and mobile media.

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Apply appropriate theoretical precepts and practical skills in communication.
- Demonstrate effective communication and leadership skills consistent with a professional marketing environment.
- Develop a strategic communication program, gathering and utilizing data from the conduct of appropriate market research.
- Evaluate global marketing strategies for products and services, utilizing contemporary buyer behavior.
- Apply persuasion theory to the development of media messages.
- Develop multi-platform, multi-public message disseminations plans.
- Integrate program content and collaborate with peers to develop a basic marketing plan that contains all essential elements, including ethical considerations.
