**Degree Requirements**

To receive a Master of Education with California Inspired Teaching and Learning Preliminary Multiple Subject Teaching Credential candidates must complete at least 67.5 quarter units of graduate credit. For the Master of Education with California Inspired Teaching and Learning Preliminary Single Subject Teaching Credential, candidates must complete at least 63 quarter units of graduate credit. Students must complete 54 units in residence at National University. Further information on graduate admission and evaluation can be found in the Academic Information for Graduate Degrees section of the catalog.

A number of requirements must be completed prior to beginning the credential courses (ITL 602), including the successful completion of the Credential Packet, which includes a number of requirements, such as cleared background clearance and negative TB test. To better understand the requirements, please refer to the Sanford College of Education’s Credential Information section located in this catalog.

The CBEST and CSET must be passed prior to beginning the Multiple Subject or Single Subject Methods courses.

Each Teacher Education/credential course (ITL) includes a required 4-hour field experience in a K-12 classroom representing the candidate’s credential area and a diverse student population, with the exception of the clinical practice courses.

Candidates choosing the Internship option to obtain the Preliminary Multiple or Single Subject Teaching Credential will need to meet the Internship Eligibility requirements as outlined in the Sanford College of Education Credential Information section of the catalog.

**Internship Option:** The Commission on Teacher Credentialing (CTC) mandates all approved intern programs provide a minimum of 120 hours of pre-service coursework prior to becoming Intern Eligible. Candidates can meet the 120-hour requirement through one of two pathways. Complete the foundation sequence of ITL 600, ITL 602, ITL 604, ITL 606, ITL 608; pass CBEST; pass CSET; and have a school or district letter verifying a teaching position job offer as the “teacher of record.” Or, if individuals come ready to start the program having already passed CBEST, passed CSET, and with a verification letter of employment as a “teacher of record;” they would complete the ITL 600 course. After which, they would return to the ITL 602, 604, 606, 608 sequence designed to provide a deeper understanding beyond the 120-hour minimum.

The CA Education Code stipulates a minimum of 144 documented hours of support and supervision must be provided to the candidate each year of intern employment. Interns without a valid English Learner (EL) Authorization from CTC will be required to receive an additional 45 hours of EL preparation support each year of intern employment (Total: 189 hours).

This Internship Option requires the successful completion of the internship clinical practice experience (minimum 1 year).

The CA Commission on Teacher Credentialing requires an intern-candidate holding a valid University Internship Credential to be continuously enrolled in clinical practice support and supervision. During the first year, the intern will take ITL 650A and ITL 651A, ITL 650B and ITL 651B. In the event the intern has not met all program requirements during the first year, and the intern’s employment continues during the second year, the intern will be enrolled in ITL 650C and, if needed, ITL 650D otherwise NU will not provide additional ongoing support and supervision. If the intern is still employed, and requests an extension for the third year of the internship, for example interns with a documented medical emergency or other extreme circumstance, one (ITL 650E) or both (ITL 650E and ITL 650F) courses may be granted through the University’s petition process, with decisions considered on a case-by-case basis.

Interns in the Early Completion Option (ECO) route are still required to receive the general support and supervision provided to all interns while they are serving on an Intern credential.

Placement in an internship occurs as a result of the candidate holding employment in an approved CA public school and in partnership with National University. Intern placements must align to the CSET credential, and be in compliance with both the Commission on Teacher Credentialing, and National University’s requirements. Interns need to be in good standing with the employer and National University for the duration of the active University Internship Teaching Credential.

The intern serves as the teacher of record in an approved K-12 classroom and is paid by the school or school district. The University Internship Teaching Credential is good for a maximum of two years and requires the candidate to be employed in the district and enrolled in National University’s intern teacher credential program. As long as the candidate holds the intern credential and is employed, they have up to two years to earn a multiple or single subject credential. For a third year as an intern, the Commission must approve an extension of the intern credential and the candidate must obtain an approved CAS petition from National University documenting a medical emergency or other extreme circumstances necessitating an “exception to policy” and consideration on a case-by-case basis. If the petition is granted, the intern will be required to complete one or both courses of the following courses during the third year: ITL 650E, and ITL 650F.
