BACHELOR OF ARTS IN INTERDISCIPLINARY STUDIES

A Customized Program for a Unique Education

A Bachelor of Arts in Interdisciplinary Studies is a popular degree that allows you to develop your own unique yet rigorous program. Based on areas of experience and interest, you'll participate in a broad and demanding program that will introduce you to the essential knowledge of different disciplines and guide you in discerning the connections across those disciplines. You'll participate in a well-rounded education designed to enhance reasoning, intellect, and ethical development with courses that include English and literature, social sciences, behavioral sciences, mathematics, humanities, natural sciences, and others. This rich and challenging path will prepare you for professional work in the changeable modern world and global economy.

Program Highlights:

- Entire program can be completed online
- Use critical thinking for the collection, validation, analysis, and synthesis of information
- Demonstrate a deep and flexible understanding of your subject matter
- Integrate knowledge in a global context and engage in collaborative research across disciplines
- Recognize and appreciate the cultural perspectives of world views
- Use technology for knowledge sharing and an interdisciplinary approach

MAJOR IN INTERDISCIPLINARY STUDIES

Program Lead: Joshua Olsberg; (559) 256-4908; jolsberg@nu.edu

The Bachelor of Arts in Interdisciplinary Studies (BAIS) provides a broad, rigorous education that introduces students to essential knowledge, and connections across the disciplines and application of knowledge to life beyond the University. This degree gives students an enriched and provocative curriculum that prepares them for professional work in a changing cultural and economic environment.

Program Learning Outcomes

Upon successful completion of this program, students will be able to:

- Demonstrate an understanding of interdisciplinary theory and the practice of critical thinking for the collection, validation, analysis, and synthesis of historical data and new information.
- Explain the integration of knowledge in a global context and engage in collaborative research across disciplines.
- Identify and appreciate the cultural perspectives of world views.
- Use information communication technology for knowledge sharing and the interdisciplinary approach.
- Demonstrate a deep and flexible understanding of subject matter.
- Degree Requirements

To receive a Bachelor of Arts degree with a major in Interdisciplinary Studies, students must complete at least 180 quarter units as articulated below, 45 of which must be completed in residence at National University, 76.5 of which must be completed at the upper-division level and a minimum 70.5 units of the University General Education requirements. The following courses are specific degree requirements. If students intend to complete a teacher credentialing program, these courses will help prepare for the MSAT and Basic Skills requirement tests. In the absence of transfer credit, students may need to take additional general electives to satisfy the total units for the degree. Students should refer to the section on undergraduate admission procedures for specific information on admission and evaluation. All students receiving an undergraduate degree in Nevada are required by state law to complete a course in Nevada Constitution.
