

The Coronavirus Aid, Relief, and Economic Security (CARES) Act provides colleges and universities with higher education emergency relief related to the coronavirus pandemic. To be eligible to receive the emergency relief, institutions were required to sign and submit the Certification and Agreement. National University completed the requested Certification and Agreement in April 2020. NU intends to use 50 percent of the funds received under Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students.
