

Bachelor of Public Administration Pathway: Los Angeles Trade Technical College

To earn a bachelor’s degree from National University students must complete a minimum of 180 quarter units. Requirements include but are not limited to the university’s general education program (to include upper division and cultural diversity), the preparatory courses listed below, major core coursework and any additional courses necessary to fulfill overall program requirements. Completion of either CSU Breadth or IGETC requirements would waive all of National University’s lower division General Education requirements.

The table below maps National University’s Foundation Technology courses to equivalencies identified at Los Angeles Trade Technical College.

Los Angeles Trade Technical College	National University
Equivalent Transfer Course	Preparatory Courses Required (3 courses; 13.5 quarter units)
