SANFORD COLLEGE OF EDUCATION (SCOE)

GoReact Technology

GoReact is an online video coaching and collaboration platform designed to improve professional practice. All General Education and Special Education Student Teachers and University Interns are required to utilize GoReact during their Student Teaching/Clinical Practice and Seminar courses.

Students enrolled in any of the SCOE courses listed below are required to obtain an annual subscription to GoReact. If at any point in the program the subscription expires, students are required to renew the annual subscription.

There is a **\$50 annual tech fee for GoReact**. Students will be charged a fee annually throughout the duration of program.

COURSE DESCRIPTIONS

PSD 7303 Dissertation Completion

Corequisite: PSD 7254

This is a registration-only course designation for students who have completed (or are satisfying an Incomplete for) PSD 7254, but have not yet defended their completed dissertation. Students register for this course every quarter until the dissertation is uploaded into ProQuest. This is for students who began the PsyD program in or after 2018. Students who matriculated prior to 2017 should continue to use the PSD 7202 designation.

PSD 7373 Profess Devel/Lifelong Learn

Prerequisite: PSD 7371, PSD 7372

This component of the third-year IPS addresses ongoing professional development and lifelong learning, including the process of obtaining and maintaining licensure, seeking additional possible certifications, maintaining and expanding current knowledge and competency through continuing education, engaging in professional socialization and organizations, and contributing to the profession.
