

GET THE CREDIT YOU DESERVE

Prior Learning Credit at NU

National University is dedicated to supporting adult learners from all walks of life. Recognizing that all students come to us with different experiences and knowledge, NU is proud to offer prior learning credit for applicable, measurable non-traditional learning* such as military training and experience, non-collegiate training programs, advanced high school courses, career experience, and self-development.

You can find more information on prior learning testing sites and preparation for your exam at www.nu.edu/testing-services. You may also contact the Testing Center at (858) 541-7951 or testing-services@nu.edu.

Questions regarding pre-evaluations and degree plans of military students may be submitted to your academic advisor or the Military Evaluations Team at military-evaluations@nu.edu or (858) 642-8047.
