

SALUTE WITH A WAIVE

About Us

As a veteran-founded institution, we understand the sacrifice and challenges of seeking an education while serving our country. To express our gratitude and to support your continued success at National University, we would like to introduce you to our program, SALUTE WITH A WAIVE.

Program Benefits

The Salute With a Waive program is designed to ensure active-duty and active-reserve military learners have access to course materials on the first day of class. The Salute With a Waive program will waive any associated embedded e-textbook fees or course technology fees for eligible learners enrolled in participating courses.

FAQs

How do I determine eligibility and what do I need to do to participate in this program?

Active-duty and active-reserve military learners are automatically eligible for this waiver. To participate in SALUTE WITH A WAIVE, learners will need to OPT IN to the DART e-book selection(s) in their online courses each term. For additional assistance with determining eligibility or status, please contact your advisor.

Are all course materials and program fees covered through Salute With a Waive?

Not all. Some courses will have program-specific fees or hard copy textbooks.

Which courses offer this benefit?

Learners should check their class schedule within their SOAR Student Portal. Courses that have an embedded e-textbook through the Day One Access to Resources and Text (DART) program or have a required course technology fee are eligible for the waiver.

How do I opt in to the DART e-book?

Starting on your first day of class, log in to your online course and click the DART e-book link under the Getting Started section. Once you launch the DART e-book, you will need to choose to OPT IN to the material(s).
