About National University

A private nonprofit university serving the whole student

Founded in 1971 by U.S. Navy Capt. Dr. David Chigos, National University's (NU) mission is to provide an accessible, world-class student experience that ensures student success through meaningful learning. NU is comprised of six schools and colleges serving more than 50,000 degree-seeking students and 80,000 workforce and professional development students annually across the United States and abroad with a growing global network of more than 230,000 alumni in 50 states and 20 countries. Celebrating 52 years of educational excellence, NU is proud to share that 50 percent of its undergraduate students are affiliated with the U.S. military; NU is the largest conferrer of graduate degrees to minority students in the U.S. and is the third largest conferrer of doctoral degrees to diverse students. As one of the largest Minority-Serving Institutions in the United States, two-thirds of NU's students and graduates are racially diverse.

National University supports healthy learning experiences by supporting the whole student during each student's education journey and beyond. NU focuses on the road ahead through pioneering

efforts in learning-centered innovation, providing next-generation education, and offering more than 190+ online and on-campus programs with flexible four- and eight-week classes and one-to-one graduate education models designed to help students reach their goals while balancing busy lives. Further, NU is dedicated to creating positive economic outcomes and social mobility through value-rich learning experiences that meet the unique needs of our diverse population of working adults, parents, members of the military, teachers, and healthcare professionals seeking pathways to possibility to improve their lives and the lives of those around them. As NU moves forward, it remains steadfast in its mission to provide current and future generations of diverse students the best opportunities for quality education to achieve their goals in life.

In 2022, the merger of National University with Northcentral University was completed, bringing together the talent and expertise of the two organizations to offer a comprehensive suite of academic programs from pre-college to doctoral level, along with a focus on

microcredentials and workforce programs. This new structure enables National University – along with its affiliates, including City University of Seattle, Workforce and Community Education, Cause Research Institute, NU Harmony Academies, and the Fundraising Academy Cause Selling Education – to further champion NU's next-generation education with whole human supports aimed at value-rich credential and experiential pathways to possibility.

Looking to the future, National University will continue to be a catalyst for educational innovation, inclusion, and transformation. NU will work to build, strengthen, and advance partnerships; expand career-relevant certificates and degrees to prepare our students for the jobs of today and of the future; implement new technologies into our learning spaces to enhance lifelong learning; improve the lives of diverse populations of students through pathways to opportunity; and shape the future of education and the communities NU serves for generations to come.

About the President

Mark D. Milliron, PhD

President and CEO, National University

  @markmilliron

Dr. Mark D. Milliron was named the sixth president of National University in October 2022. He is committed to advancing the institution's 52-year history of serving a diverse population of nontraditional, working, and military students through access and success innovation and shaping the future of education through next-generation learning, credential-rich pathways, and Whole Human Education™.

Dr. Milliron is an internationally recognized innovator and deeply-respected educator with more than three decades of experience catalyzing positive change and educational transformation through his leadership. He is an award-winning author, speaker, and consultant working globally with government agencies, associations, corporations, universities, community colleges, and K-12 schools. He also serves on the boards and advisory councils of leading educational institutions, foundations, and nonprofits, including the Trellis Foundation, Bennett College, and the Mastery Transcript Consortium. He holds an appointment as a professor of practice in the College of Education at the University of Texas at Austin.

Prior to National University, Dr. Milliron served as the senior vice president at Western Governors University and executive dean of its School of Education, the largest college of education in the United States. In addition, he co-founded the student-success advanced-analytics innovator Civitas Learning, served as deputy director for postsecondary improvement with the Bill & Melinda Gates Foundation, and led as president and CEO of the League for Innovation in the Community College. He has been recognized as a Distinguished Graduate by the University of Texas at Austin, inducted into the United States Distance Learning Association (USDLA) Hall of Fame, and been featured in the Chronicle of Higher Education as one of the "Top Technology Innovators" in higher education.

"As you walk across the graduation stage, your work is not over," Dr. Milliron, a first-generation college student, frequently says to new graduates. "Each one, reach one. It is now your job to open doors, remove barriers, and help those willing to put in the work to get on their path to learning that powers their professional and personal lives."

Commencement Speaker

Brigadier General James A. Ryans II

**Commanding General, Marine Corps Recruit Depot,
Western Recruiting Region**

Brigadier General Ryans enlisted in the Marine Corps in 1988 and was commissioned upon graduating from Jacksonville University in 1995 with a Bachelor of Science in Physics. Following The Basic School and Infantry Officer Course, he reported to 1st Battalion, 8th Marines where he served as a Platoon Commander and Company Executive Officer.

Brigadier General Ryans has held Command at all levels to include: Company Commander, Company F and Headquarters and Service Company, 2d Battalion 8th Marines; Commanding Officer, 3d Battalion, 6th Marines; Commanding Officer, Headquarters Battalion, 8th Marine Regiment; and Commanding Officer, 8th Marine Regiment. He has deployed with the 26th Marine Expeditionary Unit, participating in Operation SILVER WAKE in Albania; while at 2d Battalion, 8th Marines and then again while in command of the Regiment, he deployed to both Operation IRAQI FREEDOM in Iraq and Operation ENDURING FREEDOM in Afghanistan; and most recently he served as Deputy Commander of Task Force Southwest, deploying in support of Operation FREEDOM'S SENTINEL and the RESOLUTE SUPPORT Mission in Afghanistan.

Brigadier General Ryans' staff assignments include serving as an Officer Selection Officer; Instructor and Department Head for the Ground Combat Department, Marine Aviation Weapons and Tactics Squadron-1; Regimental Assistant Operations Officer,

Operations Officer, and Executive Officer within 8th Marine Regiment; as the Principal Deputy Legislative Assistant to the Chairman of the Joint Chiefs of Staff; Future Operations Officer for II Marine Expeditionary Force; and the Senior Military Assistant to the Secretary of the Navy. Immediately prior to arriving to the Depot, he served as the Assistant Division Commander of the 1st Marine Division.

Brigadier General Ryans is a graduate of the Infantry Captain Career Course, Fort Benning, Georgia; a distinguished graduate of the Marine Corps Command and Staff College where he earned a Masters of Military Arts; received a second Master of Arts in National Security and Strategic Studies from the United States Naval War College; attended the Harvard Business School's Advanced Management Program, Class 194; and served as a Military Fellow at the Council on Foreign Relations in New York.

Brigadier General Ryans' personal decorations include the Distinguished Service Medal, the Legion of Merit, the Defense Meritorious Service Medal, the Meritorious Service Medal with gold star in lieu of second award, the Bronze Star Medal, the Navy and Marine Corps Commendation Medal with Combat Distinguishing Device, the Navy and Marine Corps Achievement Medal, and the Combat Action Ribbon with two gold stars in lieu of third award.

The National University Mace

Centuries ago, monarchs went to battle accompanied by soldiers armed with swords and bishops armed with maces. Both swords and maces served the same purpose: They were brutal weapons designed to protect the monarch in battle. Over time, as the protective role of bishops diminished, the mace became a ceremonial scepter that represented the monarch's authority. While the original maces were heavy clubs constructed to break armor, the ceremonial maces were magnificent pieces assembled from precious metals and jewels that beautifully displayed the monarch's coat of arms. Over time, the mace was adopted by universities to represent the authority of the university to confer academic degrees and honors. As such, a mace represents the unique values and culture of a university.

In celebration of National University's 25th anniversary year (1996), Carol Hinton of the San Diego-based Hinton Group was commissioned to design a mace for the University that would serve the traditional function of representing academic authority and capture the fresh, innovative spirit of a young university serving a unique population of nontraditional learners.

Constructed by Barton Ward of Montbleau & Associates, San Diego, the mace is comprised of wood, granite, and etched glass, with accents of pewter and lapis. The mace was conceived as a scaffold to highlight the University's seal, which portrays National University as a traditional yet innovative institution.

Other significant components include:

- The open framework, representing access to the learning environment that the University provides to all students
- The crown, representing the learner's lifelong quest for knowledge
- The globe, representing the University's diversity and its status as a global institution of higher learning
- The inscription of the Latin motto, *DISCENDO VIVIMUS* — "We live through learning"

When not in use, the mace is displayed at the University's Spectrum Business Park campus.

Academic Regalia

The pageantry of commencement exercises dates from the Middle Ages and the traditions of Europe's first universities.

The gown is an adaptation of the medieval priest or friar robe and is distinctive for each degree. The bachelor's gown is yoked with a closed front and long pointed sleeves. The master's gown can be worn open and has long sleeves slit above the elbow to allow the forearm to protrude. The doctoral gown has velvet panels down the front and three velvet bars on each of the full bell-shaped sleeves. The color of the velvet may indicate the academic discipline: purple for law, dark blue for philosophy, light blue for education, white for humanities and arts, gold for science, and orange for engineering.

The hood evolved from a priest's cowl and is worn by master's and doctoral candidates. The lining color or colors are those of the college or university granting the degree.

At National University, the hood is light gray and blue. The monk's skullcap became the mortarboard cap or tam. Black is accepted in the United States, but many foreign universities have distinctive and colorful headdresses.

Tassels vary in use and color. Doctoral tassels are usually gold; master's and bachelor's are black. At National University, master's candidates wear black tassels, and bachelor's tassels match their college's colors. Honor graduates wear silver cords, and military graduates wear a red, white, and blue cord.

Alumni Relations

Dear Graduate,

Congratulations on your accomplishment! We are honored to welcome you to the National University Alumni Association (NUAA). You are now part of a growing global network of more than 230,000 innovators, decision-makers, and leaders in a broad range of professions and fields. Membership to NUAA is provided to all graduates for life, at no cost.

Alumni networks constitute one of the most valuable benefits of higher education. You will receive monthly newsletters and other communications encouraging you to engage with your alumni community, and we encourage you to get involved and stay connected.

We invite you to enjoy the benefits of the NU Alumni Association, such as:

- Access to our NU Mentoring Network
- Invitations to the NU Speaker Series
- Continued access to journal articles and library databases
- Membership in the exclusive alumni group on LinkedIn
- Virtual and in-person events

Our experienced Career Services team can assist you in your career development. No matter your career stage, our quality employment resources and professional development workshops will help you compete in the workplace to reach your professional career goals faster. Career Services resources include:

President's Circle

The President's Circle is a prestigious group of graduating students within each school or college who are chosen yearly for their exceptional performance earning either their associate's, bachelor's, master's, or doctoral degree at National University. President's Circle students are nominated by faculty then recommended by each Dean based on various characteristics including personal character, academic excellence, initiative for positive impact, leadership for today

and for tomorrow, the ability to represent National University as an ambassador, and other unique circumstances. The primary purpose of the President's Circle is to acknowledge and celebrate student academic excellence and their potential to have a profoundly positive impact on the world.

Each year, President Circle students are invited to attend a special celebratory luncheon prior to commencement with

the President and Deans where they receive a congratulatory certificate, President's Circle cords to wear at commencement, and to share more about their accomplishments and plans for the future. President Circle students are also featured on National University's website and within other social media and publications as well as possess opportunities to assist with research, grant writing, foundation presentations, and more.

2024 Honor Society Nominees

Pi Lambda Theta Honor Society

Pi Lambda Theta is the international honor society and professional association for students in the field of education. The dean of the Sanford College of Education nominates students to Pi Lambda Theta who have met rigorous requirements. Membership in this honor society offers students access to scholarships, research grants, career support, and leadership conferences, as well as support from the National Board of Professional Teacher Standards. A gold cord worn during commencement exercises designates Pi Lambda Theta graduates.

CONGRATULATIONS!

#NUGrad2024

Meet Navi, Our NU Navigator!

My name is Navi, and I'm honored to be National University's Navigator – your beacon of strength, vision, wisdom, and determination.

Some may consider me a mere mascot, but I aspire to be far more. I intend to help you navigate obstacles to achieving your degree while instilling the satisfied confidence that comes from living life on your own terms. I will strive to make you proud that you chose NU to nurture your goals and dreams.

I am a peregrine falcon, the fastest creature in the wild kingdom. Swift, strong, and fearless, capable of soaring to wondrous heights and diving at breathtaking speeds to capture unbridled possibility. Known for my acute vision, I am able to see your true potential, oftentimes long before it becomes clearly defined in your own mind.

Perched upon your goals and aspirations, I will guide you to unprecedented heights of personal achievement, academic accomplishment, and professional satisfaction.

Together, we will navigate obstacles as you focus on the bright horizons of forthcoming opportunities.

Look up to the sky.
How high can you soar?
How far can you fly? Your future looks so bright, and I look forward to flying with you every step of the way.

Congratulations, graduates!

Navi
