

Medical Education and Training Campus (METC) Credit Pathways

**YOUR JOURNEY. YOUR MISSION.
YOUR CREDENTIALS.**

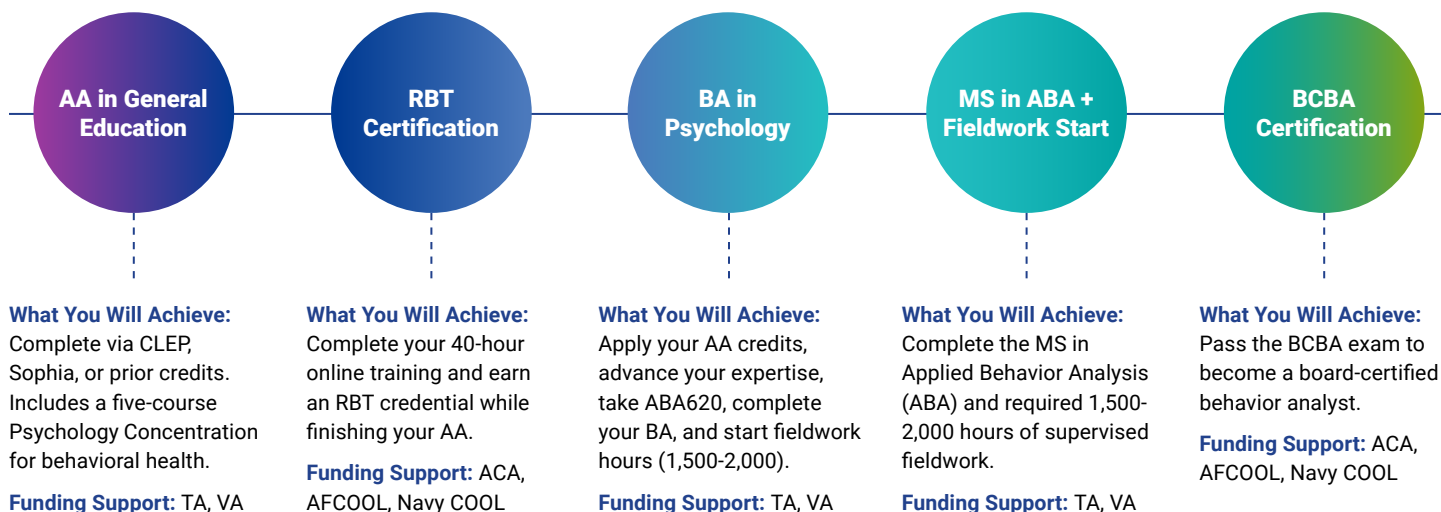

You dedicate yourself to supporting the behavioral health of military communities. With competing priorities, advancing your education can feel like one more thing you do not have time for.

Here Is Your Path Forward.

At National University, we are your guide, offering a clear, flexible plan that works alongside your service. You can earn five mission-aligned credentials – three degrees and training for two industry-recognized certifications – in fewer than four years.

Your Milestones

Stay Mission-Ready While You Serve

- **Flexible Scheduling:** 4-week courses in AA and BA that fit your mission pace
- **Maximize Your Training:** Credit for CLEP exams, Sophia Learning, and military education, training, and experience
- **Advance Without Pause:** Earn credentials while serving, not just in transition
- **Dedicated Military Support Services:** Get assistance from faculty that understands your unique lifestyle
- **Free Virtual Wellness Support Resources:** Dedicated, 24/7 counseling
- **Unlimited Free Tutoring Sessions:** Study, writing, and management tips to help you excel

Start Your Checklist Today

- ✓ Submit your **JST, CLEP, or Sophia** credits
- ✓ Get your custom degree plan
- ✓ Complete your **RBT training** and **earn your first certification** within your first year

You can do this!

We will guide you at every step, so you can stay mission-ready today and credential-ready for tomorrow.

Veteran-founded in 1971 by U.S. Navy Capt Dr. David Chigos, National University has been a leader in military education and providing flexible pathways to career success. Benefit from 4-, 8-, and 12-week courses, credit for your service, and dedicated support designed for the unique needs of military servicemembers, Veterans, reservists, spouses, and dependents. The NU Challenge Coin honors this commitment to our military students every step of the way.

Your Mission. Your Future.

Don't wait until you start your transition.

Align your military training with civilian credentials now, so you stay mission-ready today and credential-ready for tomorrow.
